UNATTENDED OR SUSPECT PACKAGE (CODE 2)

Immediate notification of discovery of unattended bag or suspect package

HAVE YOU CONSIDERED?

- Implementing formal cordons – recommended distances to be used
- Whether and how to evacuate all or part of the ground
- Deployment of additional stewards in affected areas
- Whether and how to relocate supporters
- Implementation of crowd monitoring to ensure that capacity to area to which spectators are relocated is not exceeded
- Ensure package is not touched. Enquiries made to eliminate risk/trace owner. Use PA messages to assist
- Restrictions on use of radios near package. Designated supervisor to manage scene
- **Ensure HOT process is followed.** Backtrack CCTV to see who left the package?
- Liaison between Safety Officer & police if package cannot be "cleared"

Immediate response to incident
